

What are you dreaming of doing once the Pandemic is over?

The COVID 19 pandemic has totally changed our lives and has stopped us doing so many things!

What are you missing the most?

Has lockdown given you time to think about new challenges to set yourself or new things you would like to do when all this is over ?

Or is it just every day things that we take for granted that you miss?

Don't "bottle up" your feelings! Express yourself!

#bottlemoments

Bottle Moments is an activity where you draw what you are dreaming of doing when the pandemic is over inside a bottle!

This is also a competition. Take a look at this website..

<https://www.bottlemoments.com/covid-19-kids>

There are different designs to choose from.
These templates can be downloaded from the
website (you can draw one if your can't
download one)

Now get creative!

- Draw! What are you dreaming of doing once the pandemic is over? **Be as wacky, weird and wonderful as you like!** You don't have to be the world's best artist - we want to see what you're looking forward to, however you'd like to draw it! Above all, have **fun!**
- Email a picture of your drawing to worksubmission@theheys.school and add a description of your Bottle Moment. The deadline is Monday 22nd February.
- We may ask if you would be happy for us to share your work on **Twitter** (or you can post it yourself if you have your own account)
- If posting on Twitter or Instagram, make sure you add a description of your Bottle Moment, include your **age**, and **use the hashtag #bottlemoments** in your post in order for your entry to count! If you are unable to enter using social media, entries can alternatively be emailed to hello@bottlemoments.com - though please note, all entries will be considered, but they might not be able to reply individually to every single one.

As lockdown begins to ease, Artists Rob and Kev will pick out their 20 favourites - those that, for whatever reason, just happen to 'catch their eye' - from each age group, which will be posted on the website. The baton will then be handed over to Good Morning Britain presenter and Bottle Moments supporter, **Ben Shephard**, who will pick his 10 favourites from each of Rob and Kev's selections.

Then, when lockdown is finally over, Rob will draw **customized commemorative cartoons** of each of Ben's Top 10 choices from the four age groups, which Ben will **present in person to the kids and their parents/carers** - specially printed on Bottle Moments mugs - in a feelgood get-together when it is finally safe to do so.

Enjoy!
