Have you considered The Heys School? We still have places available for September 2021.

Here at The Heys we understand that the transition from primary to secondary can be daunting for some students. At The Heys school your child's wellbeing is our priority. We recently won the Safeguarding Alliance Award for promoting and maintaining exceptional safeguarding practice. We are a small school with a family feel which enables us to know each of our students as an individual. We ensure that Year 7's transition from primary to secondary is a smooth process by providing an effective programme of activities and support.

We would also like to take this opportunity to highlight many of the positive things that will be available to your child if they choose to join us in September:

Dedicated and experienced Year 7 Head of Year and Pastoral Manager (non-teaching)

Free school uniform

Enhanced Transition Group

2 Dedicated transition days – Summer and Autumn Term

Dedicated Year 7 Yard

Specific extra-curricular programme for Year 7

Visits to Heyhead Farm Education Centre

Newly developed inclusion hub

Outdoor garden space and plans to develop a forest school

Year 7 Team Building Day – Tree Tops

Year 7 Residential Trip (Covid permitting)

The Pledge Programme

If you would like to speak to a member of our Transition Team. Please email transitions@theheys.school and we can arrange to call you at a convenient time.

Please take the time to read some of the positive feedback we have recently received from our parents:

'Please can I kindly request that you send a huge thank you to all staff for their exceptional communication throughout this lockdown and for last year. I personally don't think that teacher's get enough recognition throughout what has been an extremely disruptive year.

I truly commend each member of staff for implementing their own learning structure for our kids and to keep up the great work. I wish I could say more but please know whatever I say, it all points towards total amazement and gratitude. Thank you to ALL at the Heys School - you are heroes too!'

'Please let the staff know that we have really appreciated the lengths that they have taken. It must have been so difficult for your staff but they have continued to provide learning and support for my children throughout this hugely difficult time. I can't imagine how this pandemic would have been for my children and family had it not been for your teachers continuing to be there for my kids and dedicatedly continuing my kids education. Huge thanks from my family.'

"@Ofstednews@GavinWilliamson As a parent of an @SchoolHeys student I cannot commend them enough for their child led attention to detail in lessons, planning & care. Despite unacceptable notice, they mobilised a full online timetable with interesting and varied content."

"Thank you to you and your staff for everything you are doing. My children are really happy at the school and the online lessons are working great. The commitment of the teachers is clear to see, they have been responsive supportive. What is offered seems spot on. Happy parents!"

"Well done @SchoolHeys @StaffHeys for a fantastic and well organised parents evening...so grateful for all your hard work and support for my daughter during these strange times."

'@SchoolHeys just wanted to express my thanks for being so on the ball with home school learning this time. Having spoken to friends with children at other schools The Heys is doing great. Keep up the good work.'

"Seriously, so much respect to all of my daughter's teachers and yourself, you're all doing an amazing job in the most trying of times. I can't thank you enough you're all bloody brilliant and I genuinely don't know where we'd be without you."
