Dear Parent/Guardian,

### The SIMs parent app – easy access to important school information

We have a convenient way to share information with you about your child's school life. You can access the system from a smartphone, tablet or PC anytime/anywhere.

What will you find in the SIMS Parent app:

- Important information such as attendance, behaviour and achievement.
- School term, inset dates and contact details available at the click of a button
- Access your child's school report and assessment data
- Receive notifications to remind you about important information such as key dates for your diary
- Access to update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

**From September 2021 all communication regarding sanctions and rewards such as detentions will be communicated through this App.**

If you have not registered for the SIMs App please send an email to [simsapp@theheys.school](mailto:simsapp@theheys.school) quoting:

- your child's name and form
- your full name
- your relationship to the pupil

We will then send you an invitation and instructions.

If you have already registered and need your account resetting please just follow the above instructions.

*Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact your school.*

*Your activation email will expire after 14 days if it is not used, please contact your school if you require a replacement after this date.*

Yours sincerely,

R Singh
