26th Jan 2022

Dear Parent/ Carers

Thank you to all of you who responded to our consultation via google forms. The consultation closed on the 21st of Jan 2022.

I would like to update you of the outcomes of the consultation with regards to the change to the school day on Wednesdays.

The consultation showed that the majority of parents were in agreement with the extension to the school day and felt that it would benefit the students now and in the long run. Below are some of the comments that were made in support of the change to the school day.

"The children are still trying to catch up on their learning so any addition time and support would be of benefit."

"Many children were adversely affected by recent events and the interruption to their learning. This will help to redress the balance."

"I think that this is great idea! All children have lost too much of their learning due to Covid and if just one our might help them even a bit to get back on track I support it 100%"

As a result of the consultation I would like to confirm that Wednesdays will finish at 3.05pm from 23rd of February, this is the first Wednesday back after half term.

Thank you for your continued support.

Yours sincerely,

Miss Evans
