At The Heys School, we focus on students' academic progress and believe that it is important to develop the child as a whole. We offer several different pathways to support our students and work with a number of local providers to ensure they have every opportunity available to them. The Heys School is a diverse and exciting place to work and learn and our students always see this as a strength of the school. Our students believe that at the Heys everyone is treated equally.

We have a clear focus on ensuring that our students make good and sustained progress, regardless of their starting point. We are so proud of the amazing things that our students achieve every day and we are constantly looking for new ways to celebrate their successes.

We believe that education is a journey and we are committed to ensuring every student has the skills to meet the obstacles they face head on. We believe in the importance of grit, perseverance and resilience and of showing our pupils the value of getting back up and trying again if they don't succeed the first-time round.

In the Heys family we value determination, respect and above all kindness. We are looking for committed staff who value the sense of family and are determined to support our pupils in any way they can.
