**Maximise our potential, to be the best we can be, every day.**

12<sup>th</sup> December 2024

Dear Parents and Carers,

As a part of your child's education at The Heys School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that we have The British Red Cross visiting on Wednesday 18<sup>th</sup> December for all year 8 students. On this day our visitors will be delivering essential first aid lessons as part of our transition and being safe topic. Students will participate in a single one-hour session during this day.

All PSHE teaching will take place in a safe learning environment and is underpinned by our school ethos and values.

If you would like to find out more or discuss any concerns, please get in touch.

Yours sincerely,

Miss R Redmond  
PSHE and Community Lead
