**Maximise our potential, to be the best we can be, every day.**

6<sup>th</sup> December 2024

Dear Parents / Carers,

We have invited an organisation called Humanutopia into school to work with our Yr 11 cohort on **Wednesday 11<sup>th</sup> December** so we are writing to let you know that your child will be participating in this exciting and innovative event.

The event is called The Final Push and is a day-long experience which aims to support our Year 11 students with their motivation. It will encourage the students to reflect on their life chances, encouraging them to have high hopes and aspirations for the future and we hope it will motivate them to achieve the best that they can and to take advantage of the opportunities available to them.

The experience is designed to empower young people to develop critical life skills and develop motivation for, and take ownership of, their education. We are certain that this will be a positive and memorable experience for your son/daughter and feel it will be a perfect complement to their academic studies.

For further information on Humanutopia – please visit their website at [www.humanutopia.com](http://www.humanutopia.com).

Please encourage your child to participate fully in the day so that they can get the most out of it. They will be expected to demonstrate our school values of respect, kindness and determination at all times and will be required to arrive at sessions promptly and ready to learn. They should wear full school uniform and should bring their school bags and equipment as normal.

Please contact me directly if you have any questions.

Your sincerely,

*Miss R Redmond*

PSHE Lead
