Maximise our potential, to be the best we can be, every day.

17th December 2025

Dear Parents and Guardians,

At The Heys School, we believe that a strong partnership between the school and our families is essential for the success of our students. To further enhance our school community and support our ongoing initiatives, we are excited to announce the formation of a Parent Working Party.

What is the Parent Working Party?

The Parent Working Party is a group of dedicated parents and guardians who will collaborate with school staff to contribute ideas, support events, and help implement projects that benefit our students and the wider school community. This is a fantastic opportunity to share your skills, meet other parents, and make a positive impact on our school.

Objectives of the Parent Working Party:

- **To gather parent input on school policies and practices:** We want to hear your thoughts and ideas to ensure our policies reflect the needs and aspirations of our community.
- **To facilitate parent involvement in school events and activities:** Your participation can enhance our events and create memorable experiences for our students.
- **To create a supportive community for parents and guardians:** Together, we can build a network of support that fosters collaboration and connection among families.

How Can You Get Involved?

We are seeking volunteers who are enthusiastic and willing to contribute their time and talents. Whether you can spare a few hours a month or would like to be more involved, your participation would be greatly valued.

Next Steps:

If you are interested in joining the Parent Working Party, please sign up by emailing the Parentworkingparty@theheys.school. We will hold an introductory meeting on **Tuesday 21st January 2025** where we will discuss our goals.

Thank you for considering this opportunity to support our school and our students.

Kind regards,

Mr M Kerr
Assistant Headteacher
