Maximise our potential, to be the best we can be, every day.

3rd March 2025

Dear Parent/Carer,

Being headteacher of The Heys School has been the greatest professional honour of my career to date. I knew when I started in the role that it would present many challenges, however, when I came into post, I quickly discovered how rewarding the job of headteacher of our school is.

I now have an opportunity to move to the next stage of my career where I will remain in headship, but in a different context. I am determined to continue to have a positive influence on young people.

From Monday 31st March, I will be headteacher at Hawkley Hall High School. I am obviously sad about leaving The Heys but also excited about this new opportunity. I am delighted to announce that our current deputy headteacher, Mrs Turner, will step into the role of headteacher of The Heys School from the 31st March 2025. I am looking forward to seeing the next stage of development for The Heys and I have full confidence that Mrs Turner is the right person to lead these developments.

The Rowan Learning Trust Director of Education Mrs Conefrey, who has been a constant support to me, remains committed to The Heys School students, staff and all stakeholders. She will work closely with the new headteacher, Mrs Turner as she leads the school forward.

I would like to thank you for your support during my time at this wonderful school. I look forward to liaising with Mrs Turner as she and all leaders continue in their joint quest to maximise potential and improve life chances for all.

Mrs Turner will write to you in due course.

With kindest regards,

Mr P McKendrick
Headteacher
