

Maximise our potential, to be the best we can be, every day.

6th March 2025

Dear Parent/Carer,

In order to continue to identify gaps in students' learning and address these before GCSE examinations start in May, we have decided to give Year 11 students some additional testing in English and Maths. This will be during lesson time so that students do not miss any additional subjects. The testing will be spread across two weeks to give students the opportunity to revise specific topics each week. The schedule will be as follows.

- **Maths – w/b 10th March – Full exam suite to be sat during lessons**
- **English – w/b 17th March – English Language Paper 1 to be sat during Wednesday lesson 5 and Thursday lesson 3**

Please support your child during these exams by ensuring that they have full equipment and are on time to school. We will still have intervention classes running during these two weeks for all subjects, which can be found on the timetable below.

Please do not hesitate to contact me if you have any concerns.

Yours faithfully,

Mrs E. Whitfield
Assistant Headteacher

Year 11 Intervention Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
Lunchtime	History Media Computer Science	Sports Studies Art	Hospitality French	GCSE Physical Education Drama	Geography
After school		English	Maths	Science	Business Optional Maths
