
Maximise our potential, to be the best we can be, every day.

Dear Parent/Carer

Big Bang Fair – Thursday 19 June 2025

I am writing to inform you of an exciting opportunity for your child to visit the Big Bang Fair 2025, which will take place on **Thursday 19 June 2025**. This will be a year 8 trip to the NEC Birmingham. This day will provide all students with the opportunity to gain a valuable insight into future careers and the world of work.

The Big Bang Fair is the largest celebration of Science, Technology, Engineering and Math (STEM) for young people in the UK. It is an award-winning combination of exciting theatre shows, interactive workshops, exhibits and careers information from STEM professionals. They aim to show young people some of the exciting and rewarding opportunities that exist with the right experience and qualification, by bringing classroom learning to life!

Students will leave The Heys School at 9.30am. We will travel by coach to the NEC Birmingham. We will leave the venue at 4.00pm in anticipation of arriving back to school for 7.00pm. Students will be required to travel to and from school in their usual way. We would be grateful if you could indicate how students are to leave school on their return below.

Please note that your child will need to wear full school uniform and bring a packed lunch. If your child receives a free school meal they will be provided with a packed lunch. There is no need for students to bring money to the event. Students may bring their mobile phones to capture some of the exciting things they will be experiencing, but they will be responsible for this.

Students will visit exhibits of their own choice in small, unsupervised groups.

If the trip is over-subscribed, priority will be given on a first come, first served basis.

This event will cost £15 per child to cover the cost of the coach travel. To secure your child's place on this trip, please complete the consent form on Arbor by no later than **Monday 2 June 2025**.

Yours sincerely,

Mrs R Hayton

Head of Science
