
Maximise our potential, to be the best we can be, every day.

1st October 2025

Dear Parents and Carers,

As part of our continued support for Year 11 students in the lead-up to their exams, we are pleased to share below the intervention timetable for lunchtime and after-school sessions, which will begin on Monday 6th October.

These intervention sessions are designed to:

- Provide targeted support in key subjects
- Help students consolidate their learning
- Build confidence and exam technique
- Offer opportunities for personalised guidance from subject teachers

We strongly encourage students to attend these sessions regularly to make the most of the support available.

In addition, the school library is open Monday to Thursday until 4:00pm as a quiet revision zone and homework club. Students are welcome to use this space to study independently, revise with peers, complete homework, access past exam papers and other resources.

Thank you for your continued support. If you have any questions or would like further information, please do not hesitate to contact us.

Yours faithfully,

Mrs E. Whitfield
