
Maximise our potential, to be the best we can be, every day.

14th October 2025

Dear Parent/Carer,

As we approach the end of the first half term, we would like to share an important update regarding your child's learning journey in Year 7. Over the past few weeks, we have had the opportunity to get to know our students and assess their academic strengths and areas for development.

From after the half-term break, students will be placed into ability sets for Maths, English, and Science. This decision has been made to ensure that lessons are tailored more closely to each student's academic ability and individual learning needs. Our aim is to provide the most supportive and challenging environment possible to help every student maximise their potential. Sets will be reviewed regularly and any changes that need to be made will be communicated with parents beforehand.

Students will receive an updated copy of their timetable during when they return after the half term break, which will reflect any changes to their groupings.

If you have any questions or concerns, please do not hesitate to contact us.

Yours faithfully,

Mrs E. Whitfield
Assistant Headteacher
