

Maximise our potential, to be the best we can be, every day.

5th November 2025

Dear Parents and Carers,

As part of our ongoing efforts to monitor student progress and identify any gaps in learning, Year 11 students will be completing two important core assessments.

- Maths – Paper 1 (Non-Calculator): Tuesday 18th November – Lessons 3 and 4
- English Language Paper 2: Wednesday 19th November – Lessons 1 and 2

These assessments will take place in the sports hall under full exam conditions, with appropriate access arrangements in place for students who require them. Teachers will be discussing revision topics during lessons and intervention sessions.

It is important that all students are in school and on time for these exams to ensure they get the chance to complete this to their full potential.

The results will help inform our teaching and support strategies in the lead-up to mock and summer examinations.

Thank you for your continued support. If you have any concerns, please feel free to contact the school.

Yours faithfully,

Mrs E. Whitfield
Assistant Headteacher
