

Maximise our potential, to be the best we can be, every day.

Dear Parents and Carers,

As we approach the final examination period, we are committed to providing our students with the very best support in preparing for their upcoming assessments. To further strengthen their readiness, we will be offering a series of Easter Masterclass Sessions delivered by their subject teachers during the Easter holidays.

These targeted sessions are designed to reinforce key knowledge, build confidence, and give students valuable practice ahead of their exams.

Session Times

Each day will follow the same structure:

- 10:00am – 12:00pm
- 12:30pm – 2:30pm

Students may leave the school site during the 12:00–12:30pm break to get food if they wish, or they may remain on site, where they will be supervised by a member of staff. Please note that there will be no facilities available in school to purchase food, so students should plan accordingly. If students choose to leave the school site during this time, they do so under the responsibility of their parents or carers.

Attendance

All sessions are optional, but we kindly ask for your support in encouraging your child to attend as many as possible. Their teachers have carefully planned these masterclasses to give students an excellent final opportunity to consolidate their learning and feel fully prepared for their examinations.

Session Schedule

The full schedule is provided below:

	Tuesday 7 th April	Wednesday 8 th April	Thursday 9 th April	Friday 10 th April
Morning 10:00 – 12:00	Maths Mr Phelan (11x1) Mrs Rasouli (11x2) Mrs Garratt (11Y1&2)	Chemistry Mr Jukes - Combined & Triple	Biology Mrs Padmore – Triple Mrs Turner - Combined	History – Paper 2 Mr Rushton
