Maximise our potential, to be the best we can be, every day.

May 2026

Dear Parents and Carers,

I am writing to inform you that the Rowan Learning Trust will be undertaking a full refurbishment of the student toilets in the Barlow Building over the summer holidays. This represents a significant financial investment by the Trust, and we are very pleased and excited that these much-needed improvements will soon be in place for our students.

The refurbishment will provide modern, clean, and welcoming facilities that will greatly improve the daily experience of our young people when they return in September. We are grateful to the Rowan Learning Trust for prioritising this work and committing substantial funding to enhance our school environment.

However, I must also take this opportunity to raise an important concern. Unfortunately, a small number of students do not always show respect for school facilities, and this has resulted in damage and graffiti within the toilets. Such behaviour is disappointing and has contributed to the need for this costly refurbishment.

We are asking for your support in reinforcing the importance of respecting the school environment. Please take some time to speak with your child about looking after shared facilities and taking pride in their school. It is vital that students understand that these spaces are for everyone, and that misuse or damage affects the whole school community.

Regrettably, if damage and vandalism continue during this term, we will be unable to proceed with the planned improvements. We very much want this investment to be long-lasting and beneficial for all students.

Thank you, as always, for your continued support and partnership. By working together, we can ensure that our school remains a respectful, safe, and positive environment for everyone.

Yours sincerely,

Mrs L Turner

Headteacher

Respect | Kindness | Determination
