Maximise our potential, to be the best we can be, every day.

May 2026

Dear Parent/Carer

I am writing to inform you that Year 10 students will begin their mock exam period on Tuesday 9th June.

These examinations are an important part of the GCSE process. They provide an opportunity for students to demonstrate their understanding of the content covered so far and to practise working under formal exam conditions. These mock examinations will also give an indication of each student's current attainment within their GCSE subjects and help to identify any gaps in learning as they move forward.

All examinations will take place in the sports hall, as they will during the real GCSE examinations in Year 11. This will provide students with a valuable and realistic experience of the exam environment, helping to build confidence and familiarity with formal procedures. Students will be fully supported throughout the process, and staff will ensure that they feel confident and well-prepared.

In the lead-up to the examinations, lessons will continue to focus on revisiting key knowledge and practising exam-style questions. Students are encouraged to revise regularly at home and to approach their teachers if they require any additional support.

Students will receive their personal exam timetable after the half term holiday.

Thank you for your continued support.

Yours sincerely,

Mrs L Turner

Headteacher

Respect | Kindness | Determination
