

Maximise our potential, to be the best we can be, every day.

Dear Parents and Carers,

As we did during the Easter holidays, we will be offering a series of masterclass sessions delivered by their subject teachers during the half term holidays. We are committed to providing our students with the very best support in preparing for their upcoming assessments and to further strengthen their readiness,

Session Times

Each day will follow the same structure:

- 10:00am – 12:00pm
- 12:30pm – 2:30pm

Students may leave the school site during the 12:00–12:30pm break to get food if they wish, or they may remain on site, where they will be supervised by a member of staff. Please note that there will be no facilities available in school to purchase food, so students should plan accordingly. If students choose to leave the school site during this time, they do so under the responsibility of their parents or carers.

Attendance

All sessions are optional, but we kindly ask for your support in encouraging your child to attend as many as possible. Their teachers have carefully planned these masterclasses to give students an excellent final opportunity to consolidate their learning and feel fully prepared for their examinations.

Session Schedule

The full schedule is provided below:

	Tuesday	Wednesday	Thursday	Friday
Morning 10:00 – 12:00	Maths Mr Phelan (11x1) Mrs Rasouli (11x2) Mrs Garratt (11Y1&2)		Biology Mrs Padmore	Geography Mr Jackson
Afternoon 12:30 – 2:30			Hospitality and Catering Mr Stapleton	History Mr Rushton

We hope that these sessions provide valuable support to your child as they complete their final steps toward exam success. Thank you, as always, for your continued partnership.

Yours sincerely,

Mrs L Turner

Headteacher

Respect | Kindness | Determination
